The Chilli Children Project surveys children in the 3 Kigezi districts, S.W. Uganda.
The Project helps over 5,000 disabled and orphaned children in 5 ways:
1. Chilli growing - help is given to the carers to grow, dry and sell chillies for cash.
2. Surgical camps - Top UK surgeons perform surgery on children with disabilities.
3. Occupational therapy - helping children to walk and move by trained therapists.
4. Club foot programme - out in the field treatment to correct club feet.
5. Deaf school - boarding fees paid for children who have lost a parent.
