Chisenhale Primary School Bow

Learning Together for a Better Future

02/07/20

Hello everyone

You should have received an email detailing the time for your child to come into school to meet their teacher over the next two weeks.

I can reveal the teachers are:

Oak Class	Emily Bunton
Willow class	George Allen
Rowan Class	Matt Leser
Cherry Class	Pippa Purchase
Mint Class	Sarah Nyes
Lavender Class	Rumi Begum
Thyme Class	April Gaskin
Basil Class	James Mortimer
Curly Kale Class	Charlotte Fallows
Beetroot Class	William Clark
Broccoli Class	Ola Odubaju
Sprouts Class	Halima Begum
Moon Class	Helen Idieho
Star Class	Harriet Bowrey
Sun Class	Tracy Miller

The children don't need to wear uniform, but dress according to the weather as they will be outside, and bring a bottle of water. They will be taking home their exercise books from this year and also a little pack of home learning for the holiday.

Remember to bring in any reading, library or Core Books that you have finished with to return.

If you know you will be missing your session, please email Ruth or

teachers@chisenhale.towerhamlets.sch.uk to arrange a time to pick up your child's books.

We will be in touch with parents of the September Reception children about their introduction to Reception. It is just not going to be possible to give them a chance to see their class and meet their teacher at school keeping to the guidelines and giving them a positive experience - but we have a plan.

Very best wishes,
Sharon Taylor-Sezgin
Headteacher

Goodbyes

It is that time of the year when we sadly say goodbye to staff. Ms Booth, who has worked here since qualifying has decided to make a move to the countryside with her family. We will miss her terribly and thank her so much for the years of commitment to Chisenhale.

Bea and Angela were both here with us for a year and we thank them for their hard work supporting the teaching and learning in Year 5 and Year 1.

Keeping Children Safe Online

Safe To Net is an award winning mobile app that aims to help educate and guide children to become safer and better digital citizens and improve the wellbeing of children online. Primary children will need some guidance when setting up and initially using the app on their phone. The parent app will need to be linked to the child's app.

It also helps parents and carers to better understand their child's online world, safeguarding their children from online risks like cyberbullying and sexting.

Due to Covid -19 Safe To Net are giving a million free licences to UK parents that sign up before the 30th August 2020: <https://safetonet.com/foundation/covid/>
