Learning Together for a Better Future

Seasons Greetings.

We are now thinking about Christmas and it is wonderful to hear the Christmas songs ringing out. The Year 2 children are working hard preparing their Nativity, and Year 1 are limbering up for their Christmas Songs performance in the playground. I think I even heard some Jingle Bells in the Early Years.

We have lots of lost property and will be putting it out for parents to rummage through next week. As per the Government guidance, staff are back to wearing masks in communal areas. We have had two new cases of Covid-19 confirmed in the school this week, and ask that any sign of symptoms, children are kept off school and tested if possible. We have been notified that if an Omicron case is linked to school then all contacts of that person will have to isolate for 10 days, no matter what their vaccination status.

Please can all parents and carers make sure they keep children with them as they go out of the gate at the end of the day. A number of children are heading straight out into the road from the Zealand Road gate. Although the road is not busy, there still are moving cars and bicycles out there.

Have a great weekend.

Sharon

Nigel is leaving

We are very sad to announce that Nigel, our school cook for many, many, years, will be leaving us at the end of this term. He will continue to work for Nourish and will be joining another school in the New Year. Staff will be contributing to a collection for him and if any parents or pupils would like to add to this or drop off a card for him, they can do so at the school office before the end of term.
