Learning Together for a Better Future

04/11/22

Hello,  
I hope you all had a restful and enjoyable half term break. We started back to school with a scare on Monday, with the children in their Halloween costumes!

The children have all started their new topics this week and I've seen lots of exciting big bangs happening across the school!

We have a few issues connecting our brand new boilers with the Victorian pipework at the moment, but we have builders working through the night to ensure the heating is working properly, so please don't panic if you see people in school at strange times of the day!

I have written to you separately regarding the situation with the school streets restrictions and play spaces and I will continue to keep you updated.

I hope to see many of you at the fireworks event this evening - thank you to the PTA and Ruth for all the hard work that goes into organising such fantastic events.

**Gemma Anidi, Headteacher**
