Good afternoon,

The children have been working hard and doing some fabulous learning across the school.

**Broccoli Class** had a visit on Thursday from **Artburst**, and got involved with very exciting art and drama activities around the theme of "Elmer". It will be Sprouts' turn very soon.

**Years 3 and 5** had a professional musician come into school to do a composition work shop with the children. They explored different instruments, made music to accompany a story and played with graphic notation. There was even a synthesiser involved! The children thoroughly enjoyed the experience.

The children who attend **Rocksteady Club** put on a fantastic performance for us on Wednesday. We were very impressed with how confident and enthusiastic they were.

Today, there has been so much **red, white and blue** around school, and lots of **crowns and flags**... I wonder why?! The children enjoyed celebrating the King's Coronation by holding class parties. Thank you for sending in all the delicious treats for them to enjoy.

We hope you all have a wonderful time if you are celebrating this weekend and fingers crossed it isn't too rainy!

**Gemma and Jo**
