This week, children across the school have been taking part in Chisenhale's annual Art Week. Our theme this year was 'MOVEMENT'. Each class picked an art or design project linked to the theme and have created some fabulous pieces, such as zoetropes, stop motion films, mobiles and kinetic sculptures. Families are invited to their child's class on Friday 14th July from 2.30pm to have a look at what they have been doing.

Additionally, each class has been invited to take part in an exciting project, based on the current exhibition at Chisenhale Art Gallery by the artist Lotus Laurie Kang. Classes have been working with a composer and a vocalist at the gallery and families will be welcomed to see the final piece in September.

Well done to our mathematicians who were in the grand final of the London Schools Primary Maths Challenge on Tuesday. They came second out of 64 schools in the final alone, so congratulations to Carys, Torin and Sean!

Some of you may have missed seeing Chris on the gate in the mornings. He has not been well but is feeling much better now and hopes to be back at work in September.

We hope to see you lots of you at the Summer fair tomorrow!
