Learning Together for a Better Future

08/07/22

Hello,
Many thanks to all the families who came to our summer fete on Saturday and to cheer on the children at our sports days. I am still finalising the calendar for next year, but there will be more opportunities for us to welcome parents into school - for family days and class assemblies, but also for special events, such as art or maths weeks, where you may have skills and talents you'd love to share with the children. In addition, if any parents would be interested in volunteering a small amount of time on a regular basis, we would love to welcome parents into school to support with reading or in the library - more details in September.

Thank you to everyone who completed the parent questionnaire (apologies for the technical difficulties!) - your views are vital in helping me and the staff plan the future development of the school.

Please remind your children that school uniform should be worn **every** day except on Fridays and that they must remember to bring in their water bottles and maybe a sunhat next week, as the weather is forecast to be exceptionally hot. There are only two weeks of term left but I hope lots of children will take part in the summer reading challenge over the holidays: find out more at <https://www.ideastore.co.uk/children-families>
Enjoy the weekend, **Gemma Anidi, Headteacher**

These children will receive a praise postcard this week:

Sprouts - Olivia and Ayman
Broccoli - Ahlam and Ismaeel
Curly Kale - Aahil and Leah
Beetroot - Milind and Thomas
Basil - Tara and Dawud
Thyme - Maude and Jax
Mint - Ajmain and Sam
Lavender - Luke and Juwairiyah
Cherry - Musa and Arthur
Rowan - Musa and Ismaeel
Willow - Harry L and Lola
Oak - Tayiba and Ali

Please could Year 4 bring in shoe boxes, egg cartons and other junk modelling material for their art lesson next week?
Many thanks.

Our week in KS1

We said goodbye to our wonderful student teachers, thanked them for all their help and sent them off to become full teachers in September.

We also had a wonderful sports day; we were all really impressed by how gracious and supportive of each other our children and parents were. Thanks so much to James for coordinating such an awesome athletic event!

Next week is going to be a scorcher so KS1 ask that children come in with their bottles, a sunhat if possible and in breathable clothing if they can.
