

Chisenhale Chatter

12/11/21

What a spectacular end to the week last week! Thank you to everyone who came to our Bonfire Night event. It was fantastic to have the community together after such a long time. Thanks go to Butler and Stag for attending the event and running a stall; to all of the parents who planned, cooked, served, cleaned and kept us safe; the cake bakers who donated the cakes; to Ruth and the PTA for their brilliant organisation and finally to our firework team who created such a great display. I am delighted to say we raised almost £2,000 for the school.

We started our week with a road safety Assembly. It is Road Safety Week next week and the children were reminded of key messages when it comes to be safe around roads. These messages included the use of mobile phones, playing near roads, being visible, as well as STOP, LOOK, THINK!

On this note, we have had complaints from residents in Ellesmere Road that parents are parking there to avoid the Schools Streets parking restrictions. Please remember that Tower Hamlets Schools Streets aim to make the areas around schools safe by reducing the traffic and pollution. Please walk, cycle or scoot to school - healthier for you, your child and the rest of the local community.

Next week we have Odd Sock Day on Monday (15th), in support of Anti-Bullying Week. We also will be wearing our pyjamas on Friday and collecting money for Children In Need.

Sharon

On Monday 15th November we will have an online session for parents, run by Tower Hamlets: "Keeping children safe online". More details and zoom invite have been sent by email.

Next week children will be designing a greetings card for Christmas, Eid or birthdays. These will be sent off to a company who will scan them in and send you an order form, which we will put in the book bags. You can then order copies of your child's card if you would like to, with a small fee being paid to the PTA for each pack ordered.

The following children will be receiving a praise postcard this week:

- Sprouts** - Lina and Lewis
- Broccoli** - Brogan and Mabel
- Curly Kale** - Fatimah and Modasir
- Beetroot** - Finlay and Olivia
- Basil** - Rafi and Zacky
- Thyme** - Ellie and Nafisa
- Mint** - Lina and Huseyin
- Lavender** - Yasin and Robert
- Cherry** - Eashan and Jasper
- Rowan** - Doyin and Liyana
- Oak** - Tasmiah and Alessandro
- Willow** - Alex and Isabella

We need your recycling

Year 4 have a DT project this term where they will be making castles as part of their topic - Kings, Queens and Castles. Please bring in cardboard, cereal boxes, yoghurt pots, lolly sticks, milk bottle tops, egg boxes, kitchen paper tubes or anything else you think might be useful.

After-school clubs

Our after school clubs start again on Monday with just a few clubs to start with. A sign-up form was sent home yesterday and also emailed to parents. Gymnastics and coding are now full but there are some spaces in the other clubs.
