Learning Together for a Better Future

14/1/22

Hello!

We certainly knew there was a pandemic this week. We are doing our best to keep everything going, and hope not to have to make any changes. However, everything is so uncertain, and depending on the staffing situation, we may have to close Night Owls for a short time. I am sincerely hoping we do not get to this, but will obviously keep everyone informed. Please do make sure you check your emails regularly for any messages from the school.

The good news is that the new topics are in full swing and I can hear and see so much great learning going on. In assembly with Mairead on Monday the children learned about New Year and made their own resolutions. We have resolved, as a whole school community, to 'put kindness into all we do'.

Have a happy and healthy weekend.

Sharon

There was a zoom PTA meeting this morning and there are lots of plans for events in the months coming up. The PTA fundraises for the school and also organises events for the school community to come together. PTA funds help to pay for lots of the extras at school such as the new Imagination Playground equipment on the roof, school trips (like the whole school trip to the seaside last summer) and outings, Christmas books and Easter eggs, amongst many other things. To get involved speak to Vicki, Robin, Oli or Laurence or email ptachisenhale@gmail.com

NEARLY NEW UNIFORM

For a more sustainable uniform choice go second hand! We now have a stock of nearly-new pieces available from the meeting room near the office, with most items retailing at £2 each. We have summer dresses, cardigans, shorts, sweatshirts, leggings and much more from high street brands like John Lewis, M&S, George & Tu, some even new, with tags. We also have some winter coats and shoes. Please come into the office and bring cash if you would like to buy any of these items. All proceeds go straight to the PTA.

If you are struggling and cannot afford to buy uniform for your child just contact Ruth on rcrossan.211@lgflmail.org and let her know what items and sizes you would like as all of these items are also available free for those that need them.

The following children will be receiving a praise postcard this week:

Sprouts - Arham and Elsie
Broccoli - Madina and Ahnaf
Curly Kale - Margot and Lucy
Beetroot - Taiqa and Sasha
Basil - Tara and Zacky
Thyme - Maude and Jack
Mint - Lina and Huseyin
Lavender - Evie and Aiden
Cherry - Sumayyah and Omer
Rowan - Adyan and Ruby
Oak - Tayiba and Daniella
Willow - Ahmed and Sienna
