Chisenhale Primary School Bow

Learning Together for a Better Future

16/04/21

Welcome back! I hope everyone had a good Easter break: an interesting mix of 25 degrees and snow. And Ramadan Kareem. This week sees the beginning of Ramadan for many of our school and local community. If your Year 5 or 6 child wants to fast during the school day please make sure you let us know.

The children have been enjoying using our 'Playspace' on Chisenhale Road this week, now that it has been signed off as safe to use. Thank you to the 'holiday elves' who painted it for us over the break!

Our new school meals provider, Nourish, has been working with Nigel and the kitchen staff this week to produce the menu we have agreed with them. The children are getting used to the new look of their lunches and some different tastes, too, but we are pleased that we are able to offer a wider choice of options for meals. We will be further tweaking the menu over the next few weeks until we get it just right.

We had many parents join William, David Banks from the Tower Hamlets Healthy Lives Team, and myself for our consultations on our Health and Relationships Curriculum and policy this week. Thank you so much for your input and your time. If any parents couldn't make it and would like further information, or to comment, please email [teachers@chisenhale.towerhamlets.sch.uk](mailto:teachers@chisenhale.towerhamlets.sch.uk) and we will get in touch.
