17.1.2025

Thank you again for everyone's understanding at the beginning of the week. Disrupting the children's learning is only ever a very last resort, but with such cold weather, it was impossible to make the building comfortable without functioning heating. The boiler is now fully functioning again.

The children have been enjoying finding out about their new topics this week. Year 5 enjoyed piecing together maps of the local area and Year 2 did a map hunt around school to discover the letters of their topic, which turned out to be 'Magic Maps!' Year 1 got stuck into their new pirate topic by making pirate maps and role playing becoming pirates.

A few children have already been to see me with some beautiful work and the teachers have lots of exciting learning planned for this term, so I look forward to sharing more examples with you in the coming weeks.

I will be hosting an informal coffee morning on Monday at 9am in the library. If you are free, come and say hello!

Gemma Anidi, Headteacher
