Hello

Today is **World Children's Day** which is the 31st anniversary of the Convention on the Rights of the Child: 'the most complete statement of children's rights ever produced and the most widely-ratified international human rights treaty in history'(UNICEF).

Lots of anti-bullying activities this week including kindness pledges, jigsaws showing how we fit together despite our differences and many ODD SOCKS!

We have had some great success with our online learning in early years and Year 2 these last two weeks. We cannot thank the parents enough for their perseverance and participation - congratulations. Just a note about bubble closures. The Government is clear that learning needs to continue, and we are offering this via Google Classroom. This means that if your child is being cared for by someone else, they may need to know how to get logged on and support the learning. We are offering laptops to make sure everyone can access the learning and will guide you through any difficulties via phone or email. Please get in touch straight away if you need a laptop or support. We will be calling you to get your child online and the learning underway. Your child is effectively missing school if they are not engaging in this.

Thank you to everyone who donated - we raised £230 for Children in Need and the Anti-Bullying Alliance.
Have a lovely weekend.
Sharon, Headteacher
