Chisenhale Primary School

Confidence • Curiosity • Kindness

21.6.2024

This has been a really action-packed week. We got the phone call from Ofsted on Monday to say that they were coming in to inspect the school on Tuesday and Wednesday. The inspection was very rigorous but we were happy with the feedback. It takes up to 30 working days for the final report to be issued and it is at this point that our grade will be confirmed. As the summer holidays are not counted in this, we will not get our report until September. Thanks to all our staff, pupils, parents and governors for their input into the inspection process.

Some pupils from Y5 & Y6 completed their Bikeability cycling proficiency training. They practised their cycling skills both in the playground and in the local area around the school.

This morning we had a fantastic assembly from Blackbirds. They did a performance based on their core book Superworm that they called Superbee. The performance was a celebration of bees (following the recent world bee day) and reinforced the message of kindness. Well done Blackbirds for an excellent performance.

Finally, this afternoon we had our now annual poetry slam and what a fantastic event that was. We had some amazing, confident and very entertaining solo and group performances. Definitely some future poets in the making!

If you would like to sample some of the food on our new school menu, please book in for a tasting session at 2.30pm on Monday 8th July. To make sure we have enough food for everyone please confirm your attendance by emailing Ruth on rcrossan.211@lgflmail.org

Exciting news from Year 2! We were so inspired by our trip to the Young V&A last term that we have decided to create our own museum. We are going to be assembling our exhibits from objects that are significant to us and writing a description of them. We will also be working on an enterprise project to run our own museum cafe. Year 2 parents are invited in to see it on Friday 28th June from 2pm-3pm.
