This week the children in Y3-6 took part in a special assembly from 'The School of Kindness.' The kindness workshop taught the children about the importance of kindness, the science of kindness and the impact it has on their physical and mental health and wellbeing. The workshop was run by the 52 Lives charity. We hope the children were able to share what they had learnt at home.

Today Swift class entertained us all with a fantastic assembly about the 'Groovy Greeks'! There was some amazing acting and singing - well done Swift class!

We also had two fantastic concerts from our Rocksteady musicians - we were blown away by how much they have improved. I think I should start collecting autographs now!

Don't forget about our Easter bonnet parade next Wednesday - we love seeing the children's creations. We will be parading around the block, just as we did for World Book Day.

Gemma Anidi, Headteacher
