Chisenhale Primary School Bow

Learning Together for a Better Future

24/03/23

What an exciting week of Science investigation we have had at Chisenhale!

In **Year 1**, children investigated tooth decay using eggs - there were some very surprising results, especially for the egg soaked in vinegar! They also enjoyed learning about fossils at the Natural History Museum.

Year 2 created lemon volcanoes, explored slime, created fireworks in glasses and propelled rockets! Unfortunately, their Florence Nightingale workshop could not go ahead as the teacher had a family emergency, but it will be rescheduled soon.

In **Year 3**, children became 'personal trainers' and were finding ways to improve lung capacity through exercise. They also enjoyed visiting the chicks in the EYFS; Nugget was the favourite!

In **Year 4**, children were exploring optical illusions and created their own pictures to trick the viewer.

Year 5 children had a great time using Lego and Scratch software to program a mini golf course and a taxi.

And finally, in **Year 6**, the children mixed ingredients to create a chemical reaction that powered lava lamps.

Who knows, maybe a Chisenhale pupil might become the world's next great scientist?

Next week is our last week of term, and don't forget to make your Easter bonnets - we can't wait to see them.

Gemma and Jo

These children will receive a praise postcard this week:

Sprouts - Charlie and James

Broccoli - Aiya and Alfie

Curly Kale - Deen and Ayra

Beetroot - Oliver and Philip

Basil - Louie and Taqia

Thyme - Riona and Tabia

Lavender - All of Lavender Class will receive a praise postcard for working so hard on their class assembly this week.

Mint - Maude and Ayub

Cherry - Victoria, Thomas and Seanan

Rowan - Ahyan and Maya

Willow - Harry and Tommy

Oak - Frankii and Adyan

Reminder - Holiday Clubs

Starting this Easter there will be holiday clubs run at the school for children aged 3-12yrs. The holiday clubs are run by an external company called **Spring ASC** who already run holiday provision at Bonner Primary School. This is an exciting new partnership for Chisenhale, which we hope will be useful to many of our families. More details can be found

here: <http://springasc.co.uk/>

Please note that as the holiday clubs are not run by the school, **all questions should be directed to Spring ASC** (contact details on their website).

Chisenhale staff will not have any information about the clubs.

Easter Bonnet Parade!

Friday 31st March

9am in the playground

Parents and Carers are welcome to join us. Children are invited to create their own **Easter Bonnet**.

Dates for your diary:

Tuesday 28th March - Parent and Carer Coffee Morning in the school library with Gemma 9am - 10am

Friday 31st March - Basil Class Assembly at 9:30am.

Friday 31st March - Last day of Spring Term, Easter Bonnet Parade at 9am, school closes at 2pm.

Monday 17th April - First day back, Summer Term begins. Year 4 start swimming for two weeks at the Olympic Park.
