The school has been a bit quieter than usual this week as Y6 have been away on a residential trip in Devon. They have had a fantastic time experiencing a range of really exciting activities in the great outdoors.

Today Goldcrest had their class assembly. They took us on an excellent tour of the Mediterranean and shared some very interesting information about a number of different countries. They also demonstrated their salsa dancing skills and we were all very impressed by their rendition of a Spanish song.

This week Early Years were out visiting farms. Nursery went to the farm at Spitafields and Reception went to Stepney City Farm. They had a lovely time, despite the rain on some of the days. The children really enjoyed seeing all of the animals, particularly a pig with an enormous head and some long-horned sheep.

Year 5 also had a fantastic trip this week - they were invited to the offices of Chubb Insurance in Bishopsgate where they got the chance to find out about different career opportunities within that industry. The children met some volunteers who shared with them the ins and outs of their job roles but also talked about the dreams they had as children and what they had enjoyed at school. The children took part in some budgeting activities and played some fun maths games. They asked some really insightful questions and the employees of Chubb were very impressed with them.

A group of five Y5 pupils took part in a maths competition with 65 other schools this week. They acquitted themselves very well and we are super proud of them.

Next week is half-term, which I hope you will all enjoy, and we look forward to seeing all of the children back in school on Monday 3rd June.
