Learning Together for a Better Future

4/2/22

We started the week with an assembly about Chinese New Year. The children considered the traditions of the celebration and thought about the similarities with Eid and Christmas.

PC Oz Mavideniz, our School Liaison Officer, came into school to give a Knife Crime workshop to Year 6 and asked us to include this link for any potential volunteers for the cadets: <https://www.met.police.uk/car/careers/met/police-volunteer-roles/volunteer-police-cadets/contact/contact-the-vpc-team/>

In the last couple of weeks the teachers have been teaming up with teachers from other local schools to moderate the children's English and Maths work. This is a good way for us to measure ourselves against each other and to get ideas from other schools. I am pleased to say that we are measuring up fine! The council are conducting a survey around the Play, Learn, Create space on Chisenhale Road as the original Covid-19 plan is now out of date. Please respond to the consultation - we would love to keep a version of this as it makes the beginnings and end of the day so much safer. A big thank you to all of the parents and PTA for organising the Wishing Tree last Friday - some very interesting hopes and dreams!

Our Covid cases have really dropped this week, I am very pleased to report. We are thinking about getting back to normal - we will be having a Family Day at the end of this term. Parents will be invited to come into school to go into classes and be wowed by the children's work!

Happy weekend, Sharon

The following children will be receiving a praise postcard this week:

Sprouts - Alma and Rayyan

Special Valentine's cake sale after school on Friday 11th February. Get baking for the PTA and please bring cash!

We will be celebrating World Book Day on Thursday 3rd March!

All children are invited to dress up as a book character of their choice on this day. There are some good ideas on the website <https://www.worldbookday.com/dressing-up-ideas/>. We will be celebrating their outfits in class and with their year groups. During the day, the classes will have a range of exciting activities linked to developing the children's love of reading, and to the World Book Day message 'You are a reader!' This will include creating a class video to promote reading which we will share on Google Classroom for the other children to watch.

Every child will be given a World Book Day token which can be exchanged for one of the £1 World Book Day books. These are available at supermarkets and book shops. This year's selection are above.

We will have a special Chatter to share some of the ways the children enjoyed this day on Friday 4th March.
