Chisenhale Primary School

Confidence • Curiosity • Kindness

5.7.2024

This week was art week. All of the classes have been working on their art projects, linked to the week's theme of green and pink. Many of the classes have also visited Chisenhale Art Gallery, where they looked at the exhibition and had workshops with the artist. Hopefully, you will get to see some of the fantastic art work on the parents' open afternoon next Friday.

Last Friday we had our assessment for our Silver Oracy Award. The assessor was in all day, visiting classes, talking to pupils and staff and looking at our records. She was really impressed with the confidence and clarity with which the children were able to speak. On Monday we received an email letting us know that we had been successful in fully meeting the criteria for the Silver Oracy Award.

On Tuesday, Nursery went on a very exciting trip to the Aquarium. They had a fantastic day out and really enjoyed seeing all the different sea creatures. Thank you to all the parents who helped out on the day.

Y5 visited the Science Museum on Tuesday also. The trip linked to both their science and history curriculums. They looked at the exhibits related to forces and also went to view the World War II aircraft.

Today we had a visit from the Upper Bailiff from the Worshipful Company of Weavers. The Weavers have supported the school for many years now and this year provided money for us to redo the EYFS playground and to install the history timeline on one of our staircases. The Upper Bailiff cut a ribbon to officially open the EYFS playground, as the children cheered. After this, he attended an assembly with Y1 - Y6, where he presented certificates and book tokens to the children who had been nominated by their teachers for consistently showing the Chisenhale values of confidence, curiosity and kindness throughout the year.

We hope to see lots of you at our Summer Fair tomorrow - and that the sun shines!

Mairead McCarthy, Acting Headteacher
