Merlin Class captivated us this morning with a wonderful assembly all about the Great Fire of London. All of the children impressed us with how clearly and confidently they said their lines. They also performed an amazing song all about the Great Fire of London at the end. Well done, Merlin Class!

This week we had our history timeline installed on Staircase B. We received funding for this installation from the Worshipful Company of Weavers, who have provided funds for many projects for us over the years. The timeline runs from the Stone Age to the present day and depicts key British and world events. It looks fantastic and the children have found it really interesting.

As the big bang for their unit Harmonious Habitats, Y2 went on an exciting environmental exploration at the Soanes Centre. They saw woodlands, grasslands and the pond habitat. They learned about the history of Mile End Cemetery Park and how nature has adapted to the freedom it now has as a wildlife reserve. What a great start to their new topic!

I would like to welcome our new acting Senco, Dolvernet Barzey. Dolvernet will be working with us until the end of next term on Tuesdays, Wednesdays and Thursdays. If you have any queries for Dolvernet or would like to arrange to meet with her you can email her on
