

On Wednesday 1st October 2025 yr 2
went on a long long trip to central
London to see all the landmarks
from our story. First we boarded
on the big red bus to the
massive Canary Wharf. Next we went
on the super fast Thames Clipper
and then we got off at Westminster
pier. Then we walked to Trafalgar
Square and admired the huge
lions we also looked into the
old fountain. Eventually we ate
our yummy lunch in the amazing
St James' Park and after our
lunch we played in the park
got a little bit and then we
saw Buckingham Palace. After we
walked from Buckingham Palace
to the tube station and then
we travelled on the really long
London Underground to Min End.
Finally we walked all the way
back to school (I felt
really tired).
