

Last week I got 2 tickets
into the City before
we are leaving Katie in
London. First we caught the
parked 277 bus to Canary
Wharf pier. Next we took the
Uber boat. It was big.
I felt amazing. Then we
saw the London Eye. It
was huge. Later we
travelled to the Summer
House. Finally we went to
St. James Park. I felt
amazing. I remember this
trip to you is you like
boats and walking.
