

Events & Celebrations

We would like to remind you to save the date for our Winter Fair, **Friday 6th December** from 3.30pm.

Our **Christmas Dinner** in school will be served on **Wednesday 18th December**.

You are welcome to wear your Christmas jumper or other party clothes on this day!

EYFS Christmas Celebration Assembly

We would like to invite all EYFS parents to join us on **Thursday 19th December** at **2pm** when we are planning to perform a brief medley of seasonal songs and dances for your delight and entertainment!

This Week in the EYFS

In **Nursery** we read the story **'The Dot'** by Peter Reynolds, a story about a girl who learns to make her mark – and sign it! We have been making dot and spot drawings and paintings, inspired by Damien Hirst and Wassily Kandinsky. Our Word of the Week has been **letters** as we have been looking closely at our own names – identifying the initial capital letter and counting how many letters there are in our names. We have looked at the position of our initial letter/sound in the alphabet. We also learnt a name rhyme as we explored similarities and differences in our names. We have also introduced the UN charter on the Rights of the Child as we have the right to a name and nationality (Article 8). In the Think Equal PHSE programme we thought about our emotions and feelings. We continued our learning about letters and sounds with the letter **Dd**.

Reception have continued their work on their topic **'Vets & Pets'**. Their Word of the Week has been **Vet..** They have created a story map for **'Oh No George!'** and written their own alternative version of the story. In the Tower Hamlets Phonics Programme the children have been learning the letter-sound correspondence for the short vowel sounds for **Bb & Hh**. They have also been learning the correct formation of those letters and been introduced to six new tricky words: **put, as, has, into, I** and **her**. They have also been composing and performing their own Helicopter Stories. In mathematics they have been investigating the numbers **4 & 5**, including reading and writing the numerals and exploring number bonds.

Winter fair help needed

Can you help us to make our PTA Winter Fair (see the poster for details) a huge success to raise money for the school? The funds raised help the school provide the extras that children really enjoy like playground equipment, trips and treats.

We need people to help before and on the day. Before the date, could you:

- Bake a cake, biscuits, samosas, sausage rolls or spring rolls and bring them in on the day?
- Spare a little time during the school day to help us sort through donated toys or prepare art activities?
- Prepare some food that we can package up to sell as a take-away eg. curries, biryani?

On the day, could you:

- Come in early to help us set up the stalls?
- Run a stall?

If you can help please let Ruth or the PTA know as soon as possible. You can email rcrossan.211@glfmail.org or ptachisenhale@gmail.com or respond on your class or one of the PTA whats'app groups.
