

EYFS Newsletter Summer 1

7th May 2021

Chisenhale Primary School

Learning Together for a Better Future

NEWSFLASH!

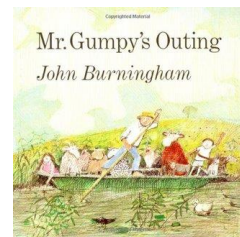

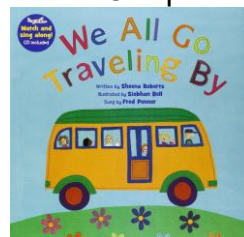

We are going to have a special delivery of duck eggs on Tuesday 18th May!

The eggs will be in an incubator and we should be able to observe them hatching over the following days. I wonder if they will like water?

This week in the EYFS

This short week we welcomed Arthur and Ralphie to the cohort in Sun Class. In Nursery our theme of moving, journeys and travelling has included learning the song and actions for 'We All Go Travelling By'. We also thought about different modes of travel and completed a survey for Lgfl about how we travel to school – it is fantastic to be able to report how many children arrive by bicycle or scooter. Our phonic learning has been the letter 'l' for lorry!

Reception children have been delighted to see their growing efforts beginning to bear fruit as the seedlings begin to pop up in the garden and the begonias are growing quickly in the classrooms. This week they have done some drawings using their 'Magic Crayon' and have been on an outing with Mr Gumpy. They have also had to contend with a naughty monster who kidnapped their pinwheels and messed up their classroom!

Parent Partnership

We have two designated email addresses for queries:

Nurseryteachers@chisenhale.towerhamlets.sch.uk

Receptionteachers@chisenhale.towerhamlets.sch.uk

You can also send us feedback or images.

End of Day Arrangements

The Green Screens enable our families to wait safely when dropping off and collecting the children.

Nursery parents should queue **against the wall** from **3.10pm** for pick up at the end of the day, whilst Reception parents should queue **against the Green Screens** from **3.20pm**.

All queuing from the gate towards the school office.

Clothing, Water Bottles & Lost Property

Children need changing bags in school. They can leave them in school, and we will only send them home if they have had to change during the day. Any wet or dirty clothes will be put in a recycled plastic bag in the changing bag.

We always need more carrier bags, if you have them.

Children also need to continue to bring a water bottle, clearly labelled with their name, into school every day.

This should only contain fresh water.

All personal property should be labelled clearly with your child's name and class!

It will help us to help your child to learn to look after their property.

The festival of Eid occurs next week. We will celebrate in school next **Friday 14th May**. On that day children are welcome to wear their party clothes!

Half-Term Holiday

The half-term holiday will begin from **Monday 31st May**.

School will reopen after half term on **Monday 7th June 2021**.
