

EYFS Newsletter Summer 1

23rd April 2021

Chisenhale Primary School

Learning Together for a Better Future

EYFS Research Project

Thank you for your prompt and positive responses to my research project for my Masters Studies in Early Childhood Education at the Institute of Education.

The children have been providing me with lots of interesting data in their self-initiated writing. I am hoping that this will culminate in a 'Celebration of Writing' Event which will include children and parents in the Summer Term.

Tracy Miller (EYFS Phase Leader)

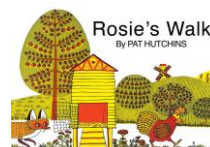

NEWSFLASH!

We are going to have a special delivery of duck eggs on Tuesday 18th May!

This week in the EYFS

In Nursery we have been reading the story of 'Rosie's Walk'. We have made paintings of Rosie the hen, and finger puppets of the fox and the hen. Our phonic learning has been 'h' for hen and hive! We have also learnt the rhyme 'Here is the beehive' and visited the Chisenhale School beehive at the top of the school.

Reception children have been continuing their learning about plants and growing in their topic work. This week they have been learning to recite some rhymes about growth. They have also labelled their plant paintings. They have been developing their understanding of numbers greater than 10 using numicon, one of our maths resources.

Parent partnership

We have two designated email addresses for queries:

Nurseryteachers@chisenhale.towerhamlets.sch.uk

Receptionteachers@chisenhale.towerhamlets.sch.uk

You can also send us feedback or images.

Thank you for your participation in our Google Classroom **Parent Consultations** this week. It was good to be able to share our understanding of your child.

Half-term and bank holidays

School will be closed for half-term from **Monday 31st May** until **Friday 4th June**, reopening on **Monday 7th June**.

School is also closed for a bank holiday on **Monday 3rd May** & polling day on **Thursday 6th May**.

End of day arrangements

The green screens enable our families to wait safely when dropping off and collecting the children.

Nursery parents should queue **against the wall** from **3.10pm** for pick up at the end of the day, whilst Reception parents should queue **against the green screens** from **3.20pm**.

All queuing from the gate towards the school office.

Clothing, water bottles & lost property

Children need changing bags in school. They can leave them in school, and we will only send them home if they have had to change during the day. Any wet or dirty clothes will be put in a recycled plastic bag in the changing bag.

We always need more carrier bags, if you have them.

Children also need to continue to bring a water bottle, clearly labelled with their name, into school every day.

This should only contain fresh water.

All personal property should be labelled clearly with your child's name and class!

It will help us to help your child to learn to look after their property.
