

NEWSFLASH!

We are going to have a special delivery of duck eggs on Tuesday 18th May!

The eggs will be in an incubator and we should be able to observe them hatching over the next few days. I wonder if they will like water?

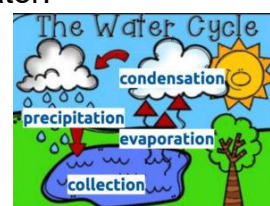

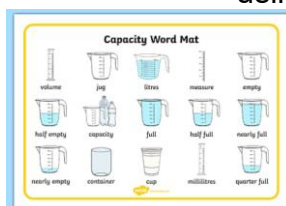

This week in the EYFS

In Nursery we have been reading Michael Rosen's version of 'We're Going on a Bear Hunt'. We have learnt the words with actions and expressions! We made a collaged story map, cut out a bear to go in a cave, and drawn a bear. Our phonic learning has been 'b' for bear.

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

Reception children have been focusing on water in their topic work about growing. They have been learning about the water cycle and have been experimenting with the different scientific states that water can take. In Mathematics they have been exploring capacity through using water.

Parent Partnership

We have two designated email addresses for queries:

Nurseryteachers@chisenhale.towerhamlets.sch.uk

Receptionteachers@chisenhale.towerhamlets.sch.uk

You can also send us feedback or images.

Next week is a short week in school, just Tuesday, Wednesday and Friday due to the Bank Holiday and Polling Day.

Half-Term Holiday

The half-term holiday will begin from **Monday 31st May**.

School is also closed for a Bank Holiday next **Monday 3rd May & Polling Day on Thursday 6th May**.

School will reopen after half term on **Monday 7th June 2021**.

End of Day Arrangements

The green screens enable our families to wait safely when dropping off and collecting the children.

Nursery parents should queue **against the wall** from **3.10pm** for pick up at the end of the day, whilst Reception parents should queue **against the green screens** from **3.20pm**.

All queuing from the gate towards the school office.

Clothing, Water Bottles & Lost Property

Children need changing bags in school. They can leave them in school, and we will only send them home if they have had to change during the day. Any wet or dirty clothes will be put in a recycled plastic bag in the changing bag.

We always need more carrier bags, if you have them.

Children also need to continue to bring a water bottle, clearly labelled with their name, into school every day.

This should only contain fresh water.

All personal property should be labelled clearly with your child's name and class!

It will help us to help your child to learn to look after their property.
