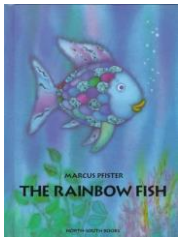
This week in the EYFS

In Nursery our word of the week has been **'aquatic**' as we have been learning about the ocean environment and creatures that live in the sea. We were also looking forward to our trip to the **Sea Life Aquarium** on Tuesday.



As this is **Art Week** at Chisenhale we have been drawing, model making, painting and printing aquatic creatures. We hope you can join us next Friday when you will be able to view our '**Pink & Green'** themed aquatic installation. It will feature a giant octopus and baby octopi, jellyfish, rainbow fish and X-ray fish. This week we read 'Rainbow Fish' by Marcus Pfeiffer. We also enjoyed learning the song 'There's a Hole in the Bottom of the Sea'. We have added **Xx** to the letters that we can name and sound in our phonic knowledge.

Reception classes have been learning about artists and reading books linked to art before creating collaborative and individual works of art using a range of skills, materials and mediums in preparation for our Art Exhibition next Friday. As the Reception classes have completed Phase 4 of the Tower Hamlets Phonics Programme they are now providing revision activities to address any gaps in knowledge. This week they have been focusing on revising letter formation and tricky words. They have also written an acrostic poem which will be included in the envelope with their reports.
