

Trips, Events & Celebrations

We are hoping to go for an end of year picnic in Victoria Park next **Monday 11th July** (weather permitting). We are planning to leave school at **9.30am** to walk to the Water Splash Park in the East side of Victoria Park. Parents and younger siblings are welcome to walk with us or meet us there. Children should **bring a packed lunch from home** in a small rucksack or bag, which they can carry. Please make sure children come to school in suitable clothes on that morning including a **sun hat** (no uncovered shoulders or flip flops please). Please apply **sunscreen** before school.

We will return to school when we think the children have had enough fun or sun!!!

Reception Children will have a **Graduation Ceremony** on **Wednesday 20th July** at **2pm** in their respective classrooms.

Parents are very welcome to attend these events!

Clothing, Water Bottles & Lost Property

Please ensure your child's changing bag is replenished and returned to school promptly. Your child needs a **spare set of clothes** (underwear, a top, leggings or jogging bottoms) in their changing bag in case they get wet or dirty. This should include spare **socks** and **shoes**.

All personal property should be labelled clearly with your child's name and class!

Children should also continue to bring a **water bottle** into school every day, and if the weather is warm, they may also need a **(named) sun hat** and sunscreen applied before they arrive at school.

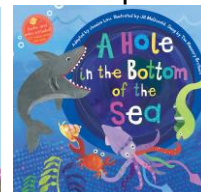

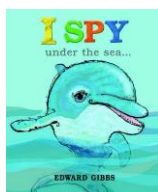

School Holiday Dates

The end of the Summer term will be at **1.40pm** on **Friday 22nd July**.
School will reopen to children on **Monday 5th September**.

This Week in the EYFS

Thanks to all those parents who came along to see our **'Procession'** on Friday and **EYFS Sports Day** on Monday. It was great for the children to have your support and encouragement and we hope you enjoyed it!

This week Nursery have been learning about the Ocean. We have read **'I Spy under the sea'** and have been thinking about the creatures who live there. We continued our phonics learning and have now added **y** to the letters and sounds that we know. We have looked at the sound this letter makes e.g in names like Yaqub!

Reception classes have been thinking about the future! They have been upstairs to look at the layout of the school, and the location of the Year 1 classrooms and toilets. They have been thinking about change and transitions and making preparations for the end of their time in the Early Years Foundation Stage. This has included finishing off their Learning Journeys which are a great testimony to the amazing progress they have made over the last year.

Meet the Teacher

Next Tuesday afternoon (12th July) your child will have the opportunity to meet their teacher for the next academic year. Reception children will be going upstairs to Year 1 and Nursery children will be going into one of the two Reception classes. Parents will then be informed of their child's teacher and class name for 2022-23.

Nursery and Reception children have been allocated to a particular class based on a range of criteria. Your child's current class teacher has completed detailed assessments in the last month and these have informed the decisions which we have made.

In addition to creating classes which have similar profiles in academic progress and attainment we have also considered children's personalities, their relationships with each other, learning styles, and gender balance in order to create a cohesive class. Each Reception class will also include eight children who will be new to Chisenhale in September.

We hope that this will help to ensure that your child has the best environment to continue to flourish in the forthcoming year.

Parent Partnership

We have two designated email addresses:
Nurseryteachers@chisenhale.towerhamlets.sch.uk
Receptionteachers@chisenhale.towerhamlets.sch.uk
Please do not use these accounts to report your child absent, or for urgent queries as they are usually only checked once a day.
