Learning Together for a Better Future

Farewell!

The end of each year always has a slight sadness about it – especially as there are members of our community who we may not see back in school in September.

Sun Nursery are saying goodbye to Elias, Ehan, Eliza and Fatir who have their Reception places in new schools.

Star Class are saying goodbye to Gabriel and also to Harriet both of whom have some exciting plans for travel in the next year.

The team in EYFS would like to thank our parents for all their kind words and encouragement throughout the year. Early Years really is a partnership, and how we have managed to establish and build relationships during the year has helped to provide the enabling environment that your child needed to learn.

Thank You!

This Year in the EYFS

We made it!

Despite Covid 19 we are relieved to have made it through the year with minimum disruption to the teaching and learning for your children.

We are delighted by the progress and attainment of this year's cohort from Nursery and Reception. The Nursery children are definitely ready for the new experiences and adventures that are to come in September as they join Reception. Our Reception children are equally prepared and are 'school ready' for Year 1. We wish them all every success in the future.

Thank you all for the amazing gifts and cards. What matters most to us is that you think we have got it right for your child this year, and we promise to continue to do our best to support them in the year ahead.

See you in September!

Clothing, Water Bottles & Lost Property

Please ensure your child's changing bag is replenished and returned to school promptly. Your child needs a **spare set of clothes** (underwear, a top, leggings or jogging bottoms) in their changing bag in case they get wet or dirty. This should include spare **socks** and **shoes**.

All personal property should be labelled clearly with your child's name and class!

Children should also continue to bring a **water bottle** into school every day, and if the weather is warm, they may also need a **(named) sun hat** and sunscreen applied before they arrive at school.

School Holiday Dates

The end of the Summer term will be at **1.40pm** on **Friday 22nd July**.
School will reopen to children on **Monday 5th September**.

Meet the Teacher

On Tuesday afternoon (**12th July**) your child met their teacher for the next academic year. Reception children went upstairs to Year 1 (**Broccoli** or **Sprouts** classes) and Nursery children were split into one of the two Reception classes (**Moon** or **Star**).

You should have now received notification of your child's teacher and class name for 2022-23, along with your child's end of year report. The class teams for next year are

Year 1

Sprouts Class: Helen & Sheila

Broccoli Class: Jo & Joli

Reception

Moon Class: Faiza & Karolina & Lauren

Star Class: April & Claire & Shamima

Nursery

Sun Class: Tracy & Sandra & Razia & Khadija
