

Track and Trace

If your child feels unwell in the first week of the Christmas holiday and they display symptoms of Covid-19 please arrange for them to have a test.

Symptoms are:

- New, persistent cough
- Fever or high temperature
- Change in, or loss of, their sense of smell or taste

For the first 6 days of the Christmas holiday we will need to know if your child tests positive for Covid 19. Please notify us by emailing:

covid@chisenhale.towerhamlets.sch.uk

We will then be able to notify all families who have children who were close contacts with your child. Please check your messages and emails as the school will use these to contact you if we need to let you know of a positive case.
