Collecting work packs from the school

We have put together some work packs for our pupils who are having to work from home. Included in the packs are, for example, whiteboards and pens, which children will need for their live meetings with their teachers. We are aware that some children have nearly used up their homework books so we have put some new books into the packs. We have also included some other resources, which will differ slightly, depending on the year group.

Parents/ carers will need to collect the packs from the school. In order to facilitate social distancing, we would like you to come on the day and time allocated to your child's year group. (See timetable below). If you have children in more than one year group, you can obviously collect all their packs at the same time.

Packs will be left in the Reception area of the school for collection. We would ask all adults to please wear a mask when collecting their child's pack.
