

Bow Neighbourhood Forum Public meeting: 3pm, Saturday 28th January @ Bow Idea Store, Gladstone Place, E3 5ES

What next?

Following the October referendum on the **neighbourhood plan** and the plan's adoption by the Council in November, it now carries full weight in local planning decisions.

The **Neighbourhood Forum** is the body responsible for the plan. We are aware of the need to widen our membership, and this meeting is one way you can get involved in the work of the Forum.

Come to the public meeting and have your say!

There will be:

- An update on the Neighbourhood Plan and role of the Forum.
- Space to share your ideas for how the Forum can help make Bow a better place for everyone to live, work or study.
- Opportunities to get involved with the Forum in support of sustainable development in Bow in 2023.
