

THE Partnership Phonics Programme

Improving
Schools
Together

Reading with your child at home

Approved
Phonics
Teaching
Programme

Department
for Education

Children learn
4,000 to 12,000
words per year
through reading.

Read **20 minutes** a
day and you'll read
1,800,000 words
per year.

If you read just **one** book
a day to your child, they will
have been read **1825** books
by their 5th birthday.

Every Day Counts.

Every Book Counts.

Helping your child to read is one of the most useful things you can do for them.

It will help them gain confidence in learning in many other subjects and gives a great step-up into life beyond school.

We teach learning to read through phonics.

Phonics is the matching of sounds to letters and groups of letters and then **blending the sounds together** to read words.

THE Partnership Phonics Programme

Phase 3 sounds

Part 2

This short video shows you how to pronounce each sound taught in phase 3 part 2, in the order the sounds are taught in this programme.

<https://youtu.be/fSPGOjZq2Dc>

There are four key concepts that we teach to all pupils, these are:

1. Letters are symbols (spellings) that represent sounds.
2. A sound may be spelled by one, two, three or four letters:

E.g. dog street night eight

3. The same sound can be spelled in more than one way:

E.g. rain acorn cake day

4. Many spellings can represent more than one sound:

E.g. head seat break

The phonics programme progresses from simple to more complex phonic knowledge and skills.

Improving
Schools
Together

The programme begins with:

					Tricky words
Set 1					
Set 2					the is
Set 3					to
Set 4					no go of
Set 5					into I her has put as

Reading words

Sometimes the word has the **sound buttons** added to help your child see each sound.

Improving
Schools
Together

The aim for your child to read words without the sound buttons.

tap

There are also some words which contain sound combinations your child has not yet learned.

Improving
Schools
Together

These are called **tricky words**.

Your child is told why they are tricky with the letter/sound combination explained in school.

is

In the word 'is', the 's' makes a /z/ sound.

Your child will learn to read sentences.

Improving
Schools
Together

Tap a tin.

“If you sound out a word, re-read the word and start the sentence again.”

						Tricky words
Set 6						me be
Set 7						he my by she
Set 8						they push
Set 9	ai	ee	igh	oa	oo	we are
Set 10	ar	or	ur	ow	oi	you all was
Set 11	ear	air	ure	er		give live sure full pull

Improving
Schools
Together

The dog ran near the goat in the
flowers. He hit the goat's horn.

Spelling words

As your child is learning phonics, they will be learning how to use their growing phonic knowledge to spell words.

When your child wants to spell a word, they will think about all the sounds in the word, one by one.

Then, they will match a sound-spelling to each sound to write the word.

Say the sounds
in the word, in
the order you
hear them.

‘d’ ‘o’ ‘g’
‘dog’

b	c	d	f	g	h	i	k	l	m	n	p	q	u
bb	ck	dd	ff	gg			ck	ll	mm	nn	pp		
r	s	t	v	w	x	y	z	ch	sh	th	ng	nk	
rr	ss	tt					zz						
a	e	i	o	u									
ai	ee	igh	oa	oo	oo	ar	or	ur	ow	oi	ear	air	
ure	er												

Use sound mat to remind how to
form the letters correctly.

Write each sound, in the
order you hear them.

“Say the sentence, count the words, **write the sentence.**”

Improving
Schools
Together

“Now, **read your sentence.**”

Improving
Schools

Words to read

**'Learning to read
by myself' book**

Improving
Schools
Together

‘Learning to read by myself’ online book

This book will contain words that your child can read or ‘sound out’ and then read.

Your child will be allocated 2 of these books a week so they will have the same book over a couple of evenings. This is because re-reading helps your child become confident and more fluent.

‘Learning to read by myself’ physical book

Due to a lot of hard work and fundraising, the school has been able to purchase a small number of bug club books that we are now able to hand out.

These will be allocated in a similar way to the online books (2 times a week) which means the same book needs to be read every night until it is changed.

Of course it is vital that these are returned promptly and in the same condition they were sent home in. If these books are lost or damaged we will be asking for a £5 donation towards the cost of a new book.

1. Read the title

- Your child may talk about the pictures on the cover.

2. Read the sounds and words on the inside cover

- Your child may 'sound out' then read each word, they may correctly read the word straight away.
- If your child mis-reads a word, encourage them to go back and use their sound knowledge to read the word accurately.

3. Read the sentences on each page

- Your child may 'sound out' some words before reading them straight off. This is fine.
- Encourage them to go back and re-read the whole sentence again – this helps with understanding each sentence.

Improving
Schools
Together

Improving
Schools
Together

4. Talk about the book when your child has read it

- Ask your child to tell you about the book.
- Your child may want to read it again. This is fine.
- Re-reading helps improve fluency.
