

## Reception Autumn Learning

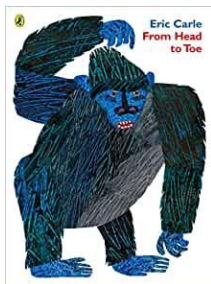

The children have been amazing these first couple weeks at school. Both Star and Moon Class have had a great start to the year and we are really proud of how well they have settled in. We have been settling into routines and the rhythm of the day.

### Our Learning

These first few weeks we have been focused on making sure the children are happy and enjoying each other's company and the setting. We are getting to know each other, sharing about our families and ourselves.

We have begun to work our way through Phase 2 Phonics. We are introducing to the children letters and sounds. They will be learning how to segment and blend words, and we are learning the correct letter formation.

Our topic is All About Me. We have painted self-portraits and thought about what makes us special. We have thought about who is in our

family and what we like to do with our families. Our core text will be Eric Carle's From Head to Toe. The children will think about what they can do all by themselves.

In Mathematics we are working on recognising and forming numbers 0-10. We will be working on our counting. The children will learn about the days, weeks and months of the year.

The unit will have lots of rich learning activities and inspiration points for the children both inside and out. We will follow the interests of the children as much as possible to make sure they are engaged and empowered by their learning.

We will continue to work on establishing good routines. We have talked about how we have kind hands.

### Useful Information

- Continue to bring in a named water bottle to their class - the children have been doing a great job at remembering this!
- Continue to bring in changing bags with spare clothes and shoes.
- Story books are being sent home on Friday's for the children to share over the weekend. Reading books will be on Bug Club.

### Remote Learning

The children have been given a card with their login details for Google Classroom and Bug Club. Please login to both these to get familiar with them. A task has been set on Google Classroom for you to complete!

Thank you for all your support. Please do email [receptionteachers@chisenhale.towerham.lets.sch.uk](mailto:receptionteachers@chisenhale.towerham.lets.sch.uk). We are happy to hear from you and will get back to you as soon as possible.
