

Last Wednesday Year 2 went
to see all the Landm-
ark's. We travelled to
Central London. We visited
all the sights from our
topic about London. First
we travelled on
the double decker
277 bus. We went to Can-
ary Wharf. Next we went
to ride on the Cool
Thames clipper we stopped
at Westminster Pier. Then
we admired the enormous
and lively Trafalgar
square. After that we
gazed at the amazing Buckingham
Palace and we saw the
guards. At St James Park
we ate some Lunch and
we played. Finally we
travelled to the District
Line (Also known as the tube) It was
super busy on the tube
