

Set Up a Play Street with London Play

START OR REBOOT YOUR PLAY STREET

And get a FREE play starter fun pack – first five only!

Play Streets mean agreeing with your neighbours to regularly close your road to through traffic for a few hours so that kids can play out and neighbours of all ages can get together over a cup of tea and get to know one another better. They are already happening all over London.

PLUS! The first five streets in Tower Hamlets to apply will get a FREE London Play Fun Starter Pack - including pavement chinks, beach balls and bean bags. Plus all the support and guidance you need.
