

### Computing

We will be developing our **track pad skills**, using a **keyboard** and ensuring we know **how to log on and off** a laptop. We will use basic tools to create our **own digital painting**. We will also discuss **how to be safe online**.

### Science

We will be learning about **Everyday Materials**. We will be **naming objects** and **identifying the materials** they are made from. We will discuss how objects are made from materials that **suit their purpose**. We will talk about and describe the **properties** of different materials.

### English

We will be reading the fiction book, '**Captain Flinn and the Pirate Dinosaurs**' by Giles Andreae. We will be **making predictions**, **identifying characters**, **discussing settings** and **sequencing stories**. We will have drama elements **acting out scenes** from the story. We will be **writing our own stories** using a **familiar story structure** and learning about the lives of pirates. We will read, enjoy and **perform pirate poetry**.

### Geography

We will be talking about the **season of Winter** and **observing changes**. We will be finding where we live on a map and talking about the **geographical features** of our locality. We will be **naming and locating the four countries** in the UK and the **seven continents of the world** on a map. We will be learning about the **compass directions**.

## Beautiful Bow!

## Year 1 Spr 1 Curriculum Map

### Physical Education (PE)

In PE the children will be participating in **Invasion Games** and **Target Games**. Invasion and target games will help the children **master basic movements** including **throwing and catching**. They will participate in **team games**, developing **simple tactics** for **attacking and defending**.

### Jigsaw (PSHE) and RE

In **Jigsaw** this term, we will be exploring **dreams and goals**. This will include: **how to keep motivated** when we find things difficult, **how to work well with a partner**, developing **positive attitudes** and **helping others** to achieve their goals.

In **RE** our key question is: What does it mean to **belong to a faith community**? We will be exploring key principles of **Christianity** and **Islam**.

### Maths

We will be exploring **place value** with numbers to 20. We will be **building teen numbers** using a range of manipulatives, such as Numicon, Dienes and coins. We will be **comparing** and **ordering numbers to 20** using a number line. We will practise our **addition to 20**, learning our **number bonds to 20** and **doubles to 10**. We will explore **subtraction** using **counting back** and **find the difference** strategies.

### Art and Design Technology

The children will be exploring **mechanisms** and how they are used to make **moving story books**. We will **design and make** a pirate ship and a treasure chest using **junk materials**.

### Music

Our key song this term is, "**Feel The Beat**". The children will develop their understanding of **time** and **tempo** by **moving in sync** with the music, **chanting**, and using a **variety of voices** to perform.
