

Maths

This term we are focussing on shape, angles (measuring and drawing with protractors) and coordinates.

Art

Inspired by Macbeth, we will create Conceptual Art pieces to express emotions.

English

In English this term we are reading a modern take on Shakespeare's Macbeth. We will read the graphic novel based on the timeless classic, act it out and explore the language in a lot of creative ways.

RE

In Summer 1, Year 5 will learn about Judaism. The children will consolidate previous knowledge and have the chance to explore in-depth one of the oldest religions.

Year 5 - Summer 1

PE

Our focus for this term is Athletics and Basketball

Topic

Our topic this term is Brazil. We will focus on the physical, cultural, historical and geographical features of this South-American country.

Science

During this term we are learning about the Solar System. We will look at the history of space exploration, different theories through the centuries and the contemporary perspective.
