

Maths

This term we will focus on decimals, negative numbers, converting units and volume.

RE

Is it better to express your belief in arts and architecture or in charity and generosity?

Topic - Geography

Our topic this term is Brazil. We will focus on the physical, cultural, historical and geographical features of this South-American country.

D&T - Cooking and nutrition

We will be considering how recipes can be adapted to improve nutritional value by modifying a traditional Bolognese sauce.

Year 5 - Summer 2

PE

Our focus for this term will be swimming and rounders. Swimming take place every afternoon from 6-17 July at the Olympic Pool.

English

In English this term we will be reading 'The Explorer' by Katherine Rundell. Using this and our topic as our basis, we will be writing a setting description, travel information and an alternative chapter to the novel.

Science - Human timeline (3 lessons)

In this unit, we will explore how humans change from a baby through to old age, including puberty, measurements of growth and gestation periods.

Science - Making connections (3 lessons)

We will be investigating asteroid impacts by applying knowledge of forces and space to explore how crater size is affected by different variables.
