

*This is our special World Book Day Chisenhale Chatter!*

*Everyone was engrossed in books and stories, with a real buzz for reading around the school yesterday. The children really impressed us with their creative book character costumes! Thank you for supporting them to make these. Each year group has shared some quotes from the children and photos from the day below.*

*The EYFS was full of amazing characters and fantastic beasts on World Book Day! The children enjoyed a carousel of stories and related activities around the books 'The Paper Dolls', 'Kitchen Disco' and 'Don't Worry Little Crab'. The workshops were led by Tracy, Helen and Harriet whilst Razia supervised the Alphabetical Character Hunt which took place in the garden. We also enjoyed dancing to the World Book Day tune by MC Grammar!*

*In Year 1, we took part in a costume parade, had a special story time where the adults shared their favourite books and then we got to mix between Year 1 and 2 to read each other something we chose.*

*"I was reading to my brother. It was good to show him because I love reading!"*

In Year 2, we were part of lots of the Year 1 World Book Day activities which were great fun! Also, we had a virtual workshop with Axel Scheffler, had a book quiz and did lots of reading on Bug Club and enjoyed our class reading area books. This week we visited a real book shop too, Foyles, and were able to buy books with a kind donation from Parmiters and our World Book Day voucher!

Charlotte (dressed up as Edie from 'The Roller-coaster Case') said, "I really enjoyed writing a book review about my favourite book 'How to Train a Dragon'."

Morris (dressed up as the Titanic) shared, "My favourite part of the day was parading in the hall showcasing my costume to everyone - I liked looking at all the different costumes."

Savannah (dressed up as the queen of hearts) said, "I had fun watching Axel Scheffler draw the characters from 'Zog and the Flying Doctors' and listening to him read. It was really cool!"

Sumeya (dressed as a giant peach) shared, "My favourite part about today was when we did the parade because it was really fun seeing all the other people's choices to see what books they like."

Rhys (dressed as a character from Snow White) said, "The quiz was my favourite bit because I liked the teamwork and came second with team XOXO."

Year 3 were busy recording their class videos to promote the World Book Day theme, 'You are a reader!'. These will be uploaded to the Google Classroom pages soon to share with families. Also, Thyme Class created a wonderful door display of the current core book, *Arthur and the Golden Rope*.

James said, "World Book Day is the best day ever as you get to be a character from your favourite book or film. Plus you get a book voucher that you can spend in many book shops around the UK."

"I liked recording our rap video. I can't wait to watch it!" shared Zayema.

Year 4 were also busy recording their class videos. Here is a photo from the Lavender Class quiz that they created, *The Fortunes of Reading*. Also, Mint Class created a wonderful door display of the children reading some great books!

"Reading is like a door to a different world. I enjoy reading because it lets my imagination wander and I feel like I am floating into a new place" - Maya

"I liked how everyone was in costume and I saw some of my favourite characters from my favourite books!" - Sam

Leon shared that, "In Year 5, we wrote a rap about our favourite book to the tune of The Fresh Prince of Bel-Air." Check out the video on Google Classroom!

World Book Day was lots of fun in Year 6. We got to make fish and decorate the classroom doors linked to *The Boy Who Swam with Piranhas* (our current core book). We went to the library and read. We also played 'The Masked Reader' to see which adult from UKS2 was reading part of a book.

Aryan - "This is my first World Book Day! I really enjoyed doing activities all about our book. It makes me enjoy our Year 6 story more."

The children should have come home with a World Book Day token to spend. Remember these can be used to purchase one of the special £1 books that are available in supermarkets and book shops.
