

Last Wednesday Kinsister and Kestrels  
Went to see all the landmarks  
in central London because it was  
our topic. First we rode on the  
double decker bus all the way to  
Canary Wharf. After that we got on  
the amazing Thames Clipper. We rode  
down the river and we stopped at  
Westminster Pier. Next we arrived  
our selves in the fountain in Trafalgar  
Square. Then we stopped and ate lunch  
in St James Park after that we played  
in the enormous St James Park. Finally  
we travelled on the super bus district  
line all the way back to school.
