

Welcome to Year 3!

Your child has made a wonderful start this term. We are delighted with the way all the children are settling in. Here is some information about the Autumn Term.

For the first three weeks, we have been spending time transitioning into Year 3 and our new routines. We have focused on our wellbeing and feelings alongside our maths, literacy and other subjects.

Our stimulus book for these transition weeks has been 'After the Fall'. The tale of Humpty's resilience and determination following his misfortune and how this led to an inspiring change!

Something we think everyone can relate to in these challenging times!

Next week we will be beginning our new topic...

Exploring Environments!

Our core text for the rest of this half term will be all about the wonderful places visited by one young child's grandpa (to be revealed next week!)

To kick-start our topic, we have turned our classrooms into rainforests and read about conservationists such as Greta Thunberg and David Attenborough. We will be creating some wonderful environmental art this half term and be studying biology in science.

PE will be on Mondays and Tuesdays. Please make sure your child has suitable footwear and clothing so they can take part.

During the second half term, we will change our focus to a history topic about The Romans. The children will be learning about the Roman Empire, their army, culture and much more, considering the impact on the Western World today.

We have some great books to inspire our writing and these link with our topics. To keep the excitement and mystery, we are going to keep these a secret until we reveal them to the children.

We are very lucky in LKS2 because we are now taking part in Artis Performing Arts sessions every Wednesday during Autumn term!

artis...
transforming lives through the arts

Talk to your child about their day and ask them lots of questions about their exciting learning.

Just a reminder...

Don't forget to write you child's name on everything they bring to school including clothing and water bottles.

Please remember to continue reading with your child every day and sign their reading records after each session so we can see how they're getting on.
