

MATHS

In Maths, we will be continuing learning about multiplication by 2-digit numbers, division (short method including with remainders), multiplying fractions and finding fractions of amounts.

SCIENCE: EARTH AND SPACE

Over this unit we will:

- use a model to represent the Solar System
- Design and draw a table to record data on moons.
- Calibrate a sundial using a compass and torch and use it to measure time.
- Analyse patterns in temperature data for the Earth and use them to predict temperature values for the Earth in the future.

Digimap for Schools

ART: PORTRAIT

This unit offers pupils opportunities to develop skills in creating interesting portrait drawings using words, experimenting with materials and techniques, and constructing self-portraits that represent aspects of themselves.

bow

ENGLISH

In English this term, we are reading 'The Kingdom Revealed' by Rob Ryan. We will be immersing ourselves into two different worlds; that of royal privilege and simple necessity. We will be focusing on first person narrative to produce a diary entry and a retelling of the narrative from our young protagonist's perspective.

EXPLORING

BOW

GEOGRAPHY

Our key question for this half term is 'What environmental challenges does Bow face?' We will be planning and completing fieldwork in the local area to help us answer this question.

PSHCE: DREAM AND GOALS

RE: CHRISTIANITY; WHAT WOULD

JESUS DO?

MUSIC: BLACKBIRD

SPANISH: SPORTS

Football and handball is our focus for this term's PE lessons. Our PE days are Monday and Thursday.
