

Tuesday 15<sup>th</sup> June 2020

Dear Parents/Carers of Year 6 Pupils,

Admitting Pupils to the Bubbles

It is so satisfying for us to have the children back in school and to be doing what we are here to do. The pupils are adapting very well to the social distancing and hygiene routines, and getting used to their new situations.

As I mentioned before, we have prepared three classroom bubbles and it seems that 10 pupils per bubble is about right for keeping the social distancing and working with pupils as safe as possible.

We have had a number of parents deciding to send their children into school since we have opened the bubbles and we have added the children in. We are now coming close to these three bubbles being at capacity.

I am now saying that Monday 22<sup>nd</sup> June is the last date for admitting new children to bubbles.

If you wish your child to come to school before the end of term you need to inform the school by telephone or email [teachers@chisenhale.towerhamlets.sch.uk](mailto:teachers@chisenhale.towerhamlets.sch.uk) by **12PM on Wednesday 17<sup>th</sup> June.**

This means that if we need to open a fourth bubble we will have time to prepare the room and to arrange staffing.

Beyond this date we will **not** be admitting anymore Year 6 children into school.

Yours sincerely,

Sharon Taylor-Sezgin, Head Teacher
