

Last week Year 2 travelled
 still because we wanted
 to explore London.

First we took the ^{bisette} 277
 to the London Eye. Next we
 took the shiny clipper on the

Tower Bridge.
 It was happy!

After that we gazed ^{at} the
 huge metal London Eye!

Later we travel to

Trafalgar Square.

Last ¹² ~~week~~ we ^{took} the
 metal train.

I felt excited because
 we went across the bridge.
