

# Chisenhale's edible Playground

**Our Third Year**  
**Sept 2012- July 2013**

We won the Capital Growth Best Learning Garden! We also reached level 5 in the RHS Campaign for school gardening!

# Welcome to our garden

We were awarded level 5 in the RHS Campaign for school gardening. We were interviewed live on BBC London and had an article in the Guardian newspaper. What a start to the year!

# Lessons in Loaf 2012.

Adam, the baker from Elliot's restaurant, came in to help pupils turn their wheat into bread. This time it was year 3's turn.

They milled their wheat, then made the dough and baked their own bread rolls to take home.

# Westminster show

Head gardeners exhibited their pumpkins at the RHS show. We saw some amazing vegetables and tasted lots of English apples.

# Incredible vegetables!

# Year 4 went on a trip to RHS Hyde Hall

They learnt a lot about plants and seeds. They were also able to feed the fish!

Early Years parents and pupils made samosas and pumpkin scones from home grown ingredients.

# We won the Best Learning Garden in the Capital Growth 'Growing for Gold' Competition
