3rd September 2021

Dear Resident,

Chisenhale Primary School - Timed Road Closure Enforcement

The Council recently installed traffic safety measures including a timed closure in Vivian Road, Zealand Road, Chisenhale Road (Ellesmere Road – Kenilworth Road) and Kenilworth Road (Bunsen Street – Chisenhale Road), as part of the school street for Chisenhale Primary School. The restricted hours of operation of the timed closure are as shown and will apply during school term only.

Monday to Friday 8:15 - 9:15am & 2:45 – 3:45pm

This is to inform you that the Council will be enforcing this timed road closure by CCTV cameras from the 6 September 2021. There will be a 2-week grace period where warning notices will be issued to drivers who enter this area without a valid exemption permit. If you have therefore not yet applied for an exemption permit, can you please do so via the **online** link below:

https://www.towerhamlets.gov.uk/ignl/transport_and_streets/Parking/parking_permits/School_Street_Permit.aspx

During the morning and evening closure time, the roads will be predominately 'pedestrian and cycle only'. Residents who live in the street will be allowed access as will teachers and those with special need children who require to be driven to school.

During these restricted hours any valid resident/visitor permits will NOT be valid when entering the above roads within your controlled parking zone. Vehicles parked on these roads before the start of the restriction will be able to leave the location but not enter.

Once your application for the permit exemption has been processed an email will be sent to you informing you of the outcome i.e. if your application was approved/rejected or requires further evidence. Once approved, your vehicle registration number will go onto the street exemption list. If you have any questions about the plans or require details in another format or language, email schoolstreets@towerhamlets.gov.uk

Yours Sincerely,
Design & Delivery Team
