

Thursday 11th January 2021

Dear Parents and Carers,

As we move into a well-earned break for our students from live lessons and distance learning, we just wanted to share our sincere gratitude. Here at Chorlton High we admire honesty above all and if we are honest, it has been a challenging 6 weeks for us all. We have missed having our students in school, but seeing students and teachers working together in their online lessons each day has been truly uplifting.

Our hope for all, during this break, is that we get away from our screens, take the opportunity, where the weather allows, to get outside together as families and all stay healthy.

Entertaining our children during a National Lockdown can be difficult, if not impossible, and so the school did want offer some suggested activities that we feel students will enjoy. These will be advertised to students on their MS Team's Year group page and we will also be putting these on our website. They can be found using the following link:

<https://www.chorltonhigh.manchester.sch.uk/chs-distance-learning/happy/passion-projects>

There is no expectation that students complete these but if they do, please ask them to share them with us, we would love to see them.

As you are aware, the Government has confirmed that students will continue with their home learning for at least the first two weeks of next half term. We are expecting no further announcement regarding the reopening of school until first week back. We will update parents as soon as we know anything more.

It is a difficult time for our families for a myriad of reasons and we wanted to remind you that our website has a wealth of information regarding the support that is available, so please do check this out if you have any concerns.

The next planned letter from the school will be Friday 26th February.

Tomorrow you will receive our Chorlton Connection. Please check this out as it celebrates the amazing things our students have been up to over the course of the last couple of weeks.

Stay safe and thank you!

Chorlton High School
