

Dear Parents and Carers,

We hope this letter finds you well. Students have been working really hard this week in their Class Teams and it is great to see the number of students accessing this is increasing significantly.

Information in this letter includes:

1. Year 10 in school provision
2. Tutor messages to look out for
3. Beelong Festival

1. Year 10 in school provision

We are really excited to welcome many of our Year 10 students back to school, at their allocated day and time. All the details, regarding the way the days will operate and anything students and parents need to know, can be found on our website using the following link:

<https://www.chorltonhigh.manchester.sch.uk/current-in-school-operation/year-10-provision/what-will-the-provision-look-like>

It is really important that students arrive promptly for their allocated slot and know their colour so they know where to line up when they arrive. To understand more about the lining system and routes students will follow to their classroom base, you can view a video that explains this using the following link:

<https://www.chorltonhigh.manchester.sch.uk/current-in-school-operation/how-we-are-keeping-our-students-safe>

2. Tutor messages to look out for

During next week all students will receive an email from their form tutor, who are missing our students very much.

3. Beelong Festival

Starting on 19th June and running to 26th June, Chorlton High School will be hosting the Beelong festival. Please see the events planned for this festival attached to this email and for key dates and more detailed information use the following link:

<https://www.chorltonhigh.manchester.sch.uk/community/beelong-festival/introduction>

We have never needed each other more than now.

As these unprecedented times continue, we want to create ways in which we can be together whilst we are apart. Join us, local community organisations and alumni in our virtual celebration of our community over the next week.

The Beelong Festival will reach out across digital and social platforms, inviting you all to take part in a variety of exciting workshops, activities and learning experiences. This is a week filled with joy, solidarity and opportunities to reconnect with each other, and we would love for you to enjoy this moment of togetherness.

Our ambition is for every member of our family to take part in at least one activity, helping to restore our connection and strengthen our community ties. Our wide-ranging programme of events has been curated to celebrate the fact that we have more in common than divides us, and to remind us that we are still together, even though we are apart.

The festival that has been put together aims to offer:

- A wide range of opportunities and we are sure there will be something for you all.

- At least one activity that can be accessed by every member of our school community and beyond.

Our celebration aims to:

- Highlight Chorlton High School as part of a digital neighbourhood.
- Create ways in which we can be together whilst we are apart. So, whether it is watching our play about The Windrush, a live Zoom Q&A with an author, or simply seeing one of our bees around Chorlton and knowing it's part of our Scavenger Hunt – it creates an opportunity for people to come together whilst maintaining a distance!

Thank you for all your support. Stay safe and well.

Kind regards,
Chorlton High School
