Dear Parents and Carers,

As we move into Week 4 of this half term, we continue to be amazed and inspired by the commitment of our school community to their distance learning. We are thrilled at the consistent effort of our students on their live lessons and want to say thank you for all the support you are providing to your child.

In this week's letter, we want to inform you about some flexibility within the timetable and provide you with some important digital safety and behaviour expectations.

We have provided live lessons because we recognise the value of teacher explanation, instruction and feedback in real time. We also acknowledge the importance of daily connection and peer interaction for student wellbeing. However, we recognise the challenges of being in front of a screen for long periods of time. So, we have reviewed aspects of the provision to address some of these challenges and bring some flexibility to the timetable.

- All lessons are cut down to a maximum of 50 minutes with a 10-minute comfort break built in. Students are encouraged to use this time to take a break from the screen, take a walk, get some fresh air and get refreshed.
- The 'Happy' section of the Distance Learning page on the school website details a range of wellbeing activities that we encourage all students to engage with.
- All lessons are saved in Class Materials in each Class Team to provide some flexibility of student access.
- Home learning this half term will include 'off-line' activities to reduce screen time.

Details of some flexibility within some subject areas are below:

Year 9	Live Lessons	Flexibility
	Most Subjects	<p>PE – Pick and Mix PE Menu – Couch to 5K, Cycling, HIIT, Yoga, Step, Golf skills, Football manipulation, Low weight resistance. This can be accessed at any time.</p> <p>RESPECT – A pre-recorded short session which leads students onto a project-based activity. This can be accessed at any time.</p> <p>Year 9 Triple Lessons – regular breaks, independent learning focus in the third period.</p> <p>English - Reading Lesson- Thursday 10am. Teacher will start the lesson, but off-screen reading will be encouraged.</p>

Digital Safety

This week, MS Teams passwords have been reset for all Year 9 students. If any students are having an issue logging in to MS Teams, please contact school so we can rectify the problem. Assemblies this week have reinforced the importance of digital safety, with students being reminded to avoid easy to guess passwords, to never share their passwords and to change them regularly.

Be Ready, Be Respectful, Be Safe are the three school rules and we wanted share with parents the messages we are sharing in assembly about our expectations about our students' digital code of conduct:

CHORLTON HIGH SCHOOL
