

Dear Students,

If the number of 'log-ons' onto Doodle are anything to go by, then well done Year 11 for finding the motivation and resilience to continue to work in these uncertain times. Although the tasks and work set involve a lot of revision tasks - they are still important to help consolidate your learning ready.

As you know we are developing a new transition unit with a wide range of resources that will allow you all to complete relevant and very useful preparatory work for your post 16 courses. It has been a mammoth task - teachers have been putting together brand new materials and Xaverian College, who we are working in close partnership with, have added their expertise and given us access to resources. These resources are broad and will be helpful regardless of which college you eventually choose. The Unit should all be ready to go after Easter so until then keep doing what you are currently doing as it is all useful and will benefit you in the long run.

Having said that, you will be happy to know that the next two weeks are officially the Easter holidays so time for some extra focus on well-being and doing more of the things we love - in the house!

We have started up a school YouTube channel which is continuously being updated with the new content, do check it out. The channel can be found by searching Chorlton High School or using the following link: <https://www.youtube.com/channel/UCveVA560FkaYWM8G5DfBf2Q>

It has now been two weeks since these rapid changes came into being and we are aware that some of you may be struggling, we want you to know that we are still here for you if you are worried or need support. You can ring school between 9am and 3pm every week day and ask to speak to one of the Safeguarding Team or email us on this address staysafe@chorltonhigh.manchester.sch.uk. For other places you can go for help, see the separate 'Be Safe' sheet.

Year group assemblies

Yes, you read that right, we have recorded year group assemblies where you will receive some really important messages and see some very familiar faces. You can access these assemblies by searching Chorlton High School Pastoral on YouTube. Alternatively, you can use the following link to go to the assemblies: https://www.youtube.com/channel/UCj4S1nf0BWnMfdGHIW3GHAA/videos?disable_polymer=1

Once again, we really do miss you all and hope you are keeping yourself active and helpful. We can't wait for our big family to be reunited. Enjoy your break lovely people and we will contact you soon.

Stay safe and well.
Kind regards,

Year 11 Team
Chorlton High School
